RE: WWC License LLC's Request for Certification As an Eligible
Telecommunications Carrier ("ETC") for SAC 399002
GPGN File No. 5925.040600 Docket: TC05-158

Dear Ms. Bonrud:

Enclosed is an original plus ten copies of Revised Exhibit A for WWC License LLC's Request for Certification, originally filed with the Public Utilities Commission on August 16, 2005. The enclosed original plus ten replace Exhibit A as attached to that Affidavit.

A mistake was discovered in reviewing the previous filing. The original Exhibit A included the entire expenses for WWC License in South Dakota outside of the Pine Ridge Reservation. Because WWC is not an ETC in all of the area in South Dakota where it does business, these numbers had to be reduced to only include that portion of the state where WWC is an eligible telecommunications carrier. The revised Exhibit A makes this reduction.

The revised Exhibit A is a confidential document and is marked "*Confidential and Proprietary.*" The information is confidential under A.R.S.D. 20:10:1:39(4) and (5). Because of this, Alltel requests confidential treatment of Exhibit A of the request pursuant to A.R.S.D. 20:10:01:41 and that the material be held confidential for ten years and then destroyed. This information is confidential as the information is proprietary, can be used adversely by competitors, and the development and financial planning constitutes trade secrets as recognized by law. If there are any inquiries as to the confidential treatment, I may be contacted at the above address.
